Staying safe

Class Dojo

Staying safe

Article 24:

You have the right to the best possible health. You should have good quality health care, clean water, nutritious food and a clean environment to stay healthy.

Article 19:

You should be kept safe from all forms of violence, abuse, neglect and bad treatment by parents or anyone else who looks after you.

Online safety:

If you are worried about something, speak to a **grown-up** at home, if you can.

If you cannot speak to someone at home, you can call **ChildLine** for free.

If you can't speak to a grown-up at home, click on the worry box.

Your learning for today

Click on the links below to find your learning for today.

★ *Learning should not take more than 2 hours per day*

★ *Please upload your learning to your Class Dojo portfolio to get feedback from your teacher.*

Reading Introduction

Prior to reading the book, during your child's RWI session the children have a speed sounds lesson. These are available online. Please follow this link <https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/>

When you follow the link you will have access to all the following;

- Join in the Set 3 Speed Sounds live lessons by Ruth Miskin Training, Monday to Friday, at 10.30am (BST). You can sign up to either via this [Facebook page](#) or [YouTube channel](#).
- Practise the sounds they have been taught from the [My Sets 2 and 3 Speed Sounds eBook](#). (The book has notes for parents.)
 - Read the [eBooks](#) at your child's particular level (I sent it in a private message).
 - Practise reading the Speed Sounds speedily on the [Set 3 Speed Sounds slideshow](#).
- When your child is confident and has finished reading the eBooks for a level, they can practise reading the words on the [Speedy Green Word slideshow](#) for that level.

When reading the books read the green words and red words with your child to set them up for success. Finally enjoy listening to your child read the story before sharing the questions at the back. In school your child would reread one book three times so it's really important not to move on to quickly and to share the same book throughout the week to help your child develop their fluency with the sounds, words, story text and questions (understanding the content is crucial). If you need any further support please get in touch.

Reading WAGOLLS and extra help

Top Tips

For Reading with Your Child at Home

- What is happening? Talk about what is happening in the pictures before you read the text.
What can you see?
- Discuss the meaning of words. Use a dictionary to get your child used to exploring words for themselves.
 - Make predictions. What do you think will happen next? What makes you think that?
- Discuss feelings. How do you think the characters are feeling? What has made them feel this way?
- Where is the story set? Have you read another story with the same setting? For example, 'We're Going on a Bear Hunt' by Michael Rosen and 'The Gruffalo' by Julia Donaldson are both set in the woods.
 - Discuss the problem in the story. What has happened? What went wrong?
- Discuss the resolution. How was the problem solved? Is there another way it could have been resolved?
 - Fact or fiction? Is this book a story book or a non-fiction book? How do you know?
- What have you learnt? What do you know now that you didn't know before reading the book?

Maths Introduction

This week we are learning about directions and movement.

Today we are going to look at compass directions.
Watch this video to begin.

Topic Introduction

We wanted to give you more flexibility as to when you complete these activities, so we have put all the activities on one page. Pick an activity each day, it is up to you when you complete them.

We are going to focus on caterpillars this week as you are all changing and growing up and in September will be juniors.

Topic

Topic WAGOLLS and extra help

Create your caterpillar -
Then write a number in
each circle depending on
the sequence you select to
complete

carefully crawling up the smooth green leaf

C
A
T
E

Topic Task grid

Numeracy

<https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering>

Can you select a level and order the numbers on the caterpillar.

Numeracy.

For this activity you can either fingerprint your caterpillar or draw it. Then can you write sequences of numbers on the body. You might use the 2, 3, 10 times tables pick something that is going to challenge you.

Literacy - Be a bug for the day.

Can you write about what you would do if you could be a bug for the day. What adventures would you get up to.
**** Type your adventure story in HWB.**

Be a Bug for the Day!

If you could be a butterfly for just one day, what would you do? Where would you go?

Literacy.

Can you create an acrostic poem about a caterpillar.

Health and wellbeing.

Can you do the caterpillar and record your efforts.

Creative.

Can you create the lifecycle of a butterfly in a creative way. You could also draw it on HWB to practice your ICT skills.

Health and wellbeing.

<https://www.youtube.com/watch?v=xhWDiQRrC1Y>

You might like to have a go at the very hungry caterpillar yoga.
