Staying safe

Class Dojo

Staying safe

Article 24:
You have the right to the best possible health. You should have good quality health care, clean water, nutritious food and a clean environment to stay healthy.

Article 19:
You should be kept safe from all forms of violence, abuse, neglect and bad treatment by parents or anyone else who looks after you.

Online safety:

S	M	A	R	T
Stay Safe	Don't Meet Up	Accepting Files	Reliable?	Tell Someone
Don't give out your personal information to people / places you don't know.	Meeting someone you have only been in touch with online can be dangerous. Always check with an adult you trust.	Accepting emails, files, pictures or texts from people you don't know can cause problems.	Check information before you believe it. Is the person or website telling the truth?	Tell an adult if someone or something makes you feel worried or uncomfortable.

Follow these SMART tips to keep yourself safe online!

If you are worried about something, speak to a **grown-up** at home, if you can.

If you cannot speak to someone at home, you can call **ChildLine** for free.

If you can't speak to a grown-up at home, click on the worry box.

Your learning for today

Click on the links below to find your learning for today.

★ Learning should not take more than 2 hours per day

★ Please upload your learning to your Class Dojo portfolio to get feedback from your teacher.

Reading Introduction

Prior to reading the book, during your child's RWI session the children have a speed sounds lesson. These are available online. Please follow this link <https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/>

When you follow the link you will have access to all the following;

- Join in the Set 3 Speed Sounds live lessons by Ruth Miskin Training, Monday to Friday, at 10.30am (BST). You can sign up to either via this [Facebook page](#) or [YouTube channel](#).
- Practise the sounds they have been taught from the [My Sets 2 and 3 Speed Sounds eBook](#). (The book has notes for parents.)
 - Read the [eBooks](#) at your child's particular level (I sent it in a private message).
 - Practise reading the Speed Sounds speedily on the [Set 3 Speed Sounds slideshow](#).
- When your child is confident and has finished reading the eBooks for a level, they can practise reading the words on the [Speedy Green Word slideshow](#) for that level.

When reading the books read the green words and red words with your child to set them up for success. Finally enjoy listening to your child read the story before sharing the questions at the back. In school your child would reread one book three times so it's really important not to move on to quickly and to share the same book throughout the week to help your child develop their fluency with the sounds, words, story text and questions (understanding the content is crucial). If you need any further support please get in touch.

Top Tips

For Reading with Your Child at Home

- What is happening? Talk about what is happening in the pictures before you read the text.
What can you see?
- Discuss the meaning of words. Use a dictionary to get your child used to exploring words for themselves.
 - Make predictions. What do you think will happen next? What makes you think that?
- Discuss feelings. How do you think the characters are feeling? What has made them feel this way?
- Where is the story set? Have you read another story with the same setting? For example, 'We're Going on a Bear Hunt' by Michael Rosen and 'The Gruffalo' by Julia Donaldson are both set in the woods.
 - Discuss the problem in the story. What has happened? What went wrong?
- Discuss the resolution. How was the problem solved? Is there another way it could have been resolved?
 - Fact or fiction? Is this book a story book or a non-fiction book? How do you know?
- What have you learnt? What do you know now that you didn't know before reading the book?

Reading Task

Please access the Read write inc website, the links are on the Reading introduction slide.

Task

Maths Introduction

Patterns are all around us.

This week we are going to be learning about patterns.

<https://www.bbc.co.uk/bitesize/articles/z338bqt>
Watch the video above.

Maths

Make it!  #MathsEveryoneCanAtHome

We love looking for patterns all around us. It's amazing how many patterns we can spot around the house, especially in our food!

Look at the patterns inside these objects. Can you describe the patterns? Make your own pattern in a circle or a spiral using different items e.g. buttons, pebbles, leaves etc.

Can you draw or photograph the pattern you have made? Don't forget to share your photos and drawings!

Maths

Maths Task

Once you have watched the introduction video have a go at drawing your own 2D shape patterns using shape and colour.

What will come next in this pattern?

Here are some ideas to get you started.

Remember to use a ruler when drawing shapes!

Topic Introduction

We wanted to give you more flexibility as to when you complete these activities, so we have put all the activities on one page. Pick an activity each day, it is up to you when you complete them.

We are going to focus on caterpillars this week as you are all changing and growing up and in September will be juniors.

Topic

Topic WAGOLLS and extra help

Have a look and read these facts before creating your presentation.

<https://kidsactivitiesblogs.com/caterpillar-fun-facts/>

** You can research your own facts.

Healthy caterpillar snack.

Caterpillar race table.

Name	Attempt 1. Time in seconds taken.	Attempt 2

Literacy stories.

<https://www.youtube.com/watch?v=YINiZVW5kgl> Amandanda's butterfly

<https://www.youtube.com/watch?v=1s98XAIFLuc> Monkey Puzzle

<https://www.youtube.com/watch?v=0srAh8cvjWE> My, Oh My, A Butterfly

Topic

Topic Task grid

Numeracy
<https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering>
 Can you select a level and sequence the numbers on the caterpillar.

Creative.
https://www.youtube.com/watch?v=3v_JYQC30i4
 Encourage your child to watch and follow the video to independently make a moving caterpillar. Decide on a distance for your race – measure it out and record your families results in a table.

ICT / Literacy.
 Can you make a presentation about a caterpillar log into HWB and click on J2 office. Then select present and you can create a title page and add facts you have learnt about caterpillars or you could choose a butterfly.

Health and well-being.
 Can you create a healthy caterpillar snack remember to be careful with a knife but try and do this task independently.

Literacy.
 Enjoy listening to a story with a caterpillar or butterfly in them ideas in the WAGOLL.
 Or
 Search around your house have you got any books with a caterpillar or butterfly in that you can enjoy reading for pleasure.

Literacy.
 Can you write about an experience this year where you have grown, got better at something or developed a new skill. It could be in school or home. You can do this in your red book or on HWB.
