I must just rest in bed, Mum said.

I said, OK. I felt much too ill to get up.

You can have an egg for lunch,
Mum said, and a glass of milk.

I said, OK. I had a bit of the egg,
and a sip of the milk (yuck).

You must not watch TV, she said.

You must just rest in bed.

I said, OK. I had a nap. It was a long nap.

Boost your learning complete a task

Eva was ill? How could mum tell she was ill? Was it the look on her face? Our faces often show emotion. Play a game of **Feeling Charades**. Take it in turns to act out a feeling. No talking allowed. Can anyone guess how your feeling? The first person to guess has the next turn.

Make a face using pasta shapes. Don't forget to ask a parent first for the pasta.

Choose a task of your choice:

Save empty bottles and decorate them with different emotions. Stack them in a row and throw a ball to knock them over. Make your own bowling alley.

Cut a paper plate in half or an old cereal box. Draw on an expression and hold in front of your face. How are you feeling now?

Press here when Finished.
