Reading Introduction

Prior to reading the book, during your child's RWI session the children have a speed sounds lesson. These are available online. Please follow this link <https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/>

When you follow the link you will have access to all the following;

- Join in the Set 3 Speed Sounds live lessons by Ruth Miskin Training, Monday to Friday, at 10.30am (BST). You can sign up to either via this [Facebook page](#) or [YouTube channel](#).
- Practise the sounds they have been taught from the [My Sets 2 and 3 Speed Sounds eBook](#). (The book has notes for parents.)
 - Read the [eBooks](#) at your child's particular level (I sent it in a private message).
 - Practise reading the Speed Sounds speedily on the [Set 3 Speed Sounds slideshow](#).
- When your child is confident and has finished reading the eBooks for a level, they can practise reading the words on the [Speedy Green Word slideshow](#) for that level.

When reading the books read the green words and red words with your child to set them up for success. Finally enjoy listening to your child read the story before sharing the questions at the back. In school your child would reread one book three times so it's really important not to move on to quickly and to share the same book throughout the week to help your child develop their fluency with the sounds, words, story text and questions (understanding the content is crucial). If you need any further support please get in touch.

Top Tips

For Reading with Your Child at Home

- What is happening? Talk about what is happening in the pictures before you read the text.
What can you see?
- Discuss the meaning of words. Use a dictionary to get your child used to exploring words for themselves.
 - Make predictions. What do you think will happen next? What makes you think that?
- Discuss feelings. How do you think the characters are feeling? What has made them feel this way?
- Where is the story set? Have you read another story with the same setting? For example, 'We're Going on a Bear Hunt' by Michael Rosen and 'The Gruffalo' by Julia Donaldson are both set in the woods.
 - Discuss the problem in the story. What has happened? What went wrong?
- Discuss the resolution. How was the problem solved? Is there another way it could have been resolved?
 - Fact or fiction? Is this book a story book or a non-fiction book? How do you know?
- What have you learnt? What do you know now that you didn't know before reading the book?

Can you remember when we were learning about Samuel Pepys and his diary?

If you remember we wrote our own diary pretending to be Samuel Pepys.

For this activity I want you to remember the features of a diary and write a diary extract for James.

(If you can't remember I will put a reminder on the WAGOLL page)

Write a diary entry for James. You can choose which part of the story you would like to write about.

Here are some ideas:-

- When James found the peach.
- When James met the old man.
- When James went inside the peach and met the creatures.
